

President's Message

My grandmother had a saying that spring wasn't really here until the frogs have called through the ice three times. I think we are on our fifth snow since the poor amphibians came out of hibernation and spring is nowhere in sight! I hope that many of you and your Newfs are slowly coming out of hibernation and gearing up for lots of activities this spring and summer. I also hope that winter wasn't "too good" to waistlines this year! To that end, GLNC hosted a conditioning/physical therapy seminar at the Ann Arbor Dog Training club in March. Dr Tari Kern was the presenter and did a fantastic job of explaining what physical therapy and conditioning for our dogs is and why we should be interested in it. The seminar was well attended and everyone enjoyed the day.

Our next major club event will be the Draft Test hosted by GLNC at the NCA National Specialty in Frankenmuth on April 30th and May 1st. We can always use help and volunteering is a great way to learn more about draft work. If you are interested in volunteering, please contact Jenny Zablotty (newfdock@gmail.com). And then there is the National Specialty show following the draft test. There will be almost 600 Newfs in Frankenmuth! The schedule is generally obedience/rally trials and 4-6 month puppy judging on Tuesday. Wednesday is more obedience and rally and Sweepstakes for puppies and veteran dogs. Thursday is judging of boys. Friday is judging of girls and Saturday is Best of Breed. There are lots of vendors and evening events. For a complete schedule visit: <https://www.ncanationalspecialty.org/>

In May, there are four supported entries and a Regional Specialty over Memorial Day weekend. Our Annual meeting, election of officers and Awards presentation will be that weekend on May 26th (Saturday). Don't forget that dues are due May 1st! Dues must be paid by the Annual meeting in order for you to be able to vote at the Annual meeting.

June will bring the Board's planning meeting. If you have ideas for club events or presentations you'd like to see, please contact any one of your Board members or officers. We are at your disposal and are more than happy to address any concerns you may have as well.

Here's hoping that the frogs persevere and spring arrives soon! See you in Frankenmuth!

Jenny

Henry: New Therapy Dog Excellent

Henry has been a therapy dog for the Mattawan schools reading program, the Paw Paw Library summer "Read to the Dog Program" and a Bronson Hospital therapy dog where he has cheered patients on the Ortho Surgery Unit Floor, the Cardiology Floor, the Pediatric Floor and the Pediatric Rehab Center.

I made the very difficult decision to retire him this year. At 11 ½ years old it gets harder to move around on those slippery floors at the hospital and schools. I think this is a much deserved retirement for the big guy.

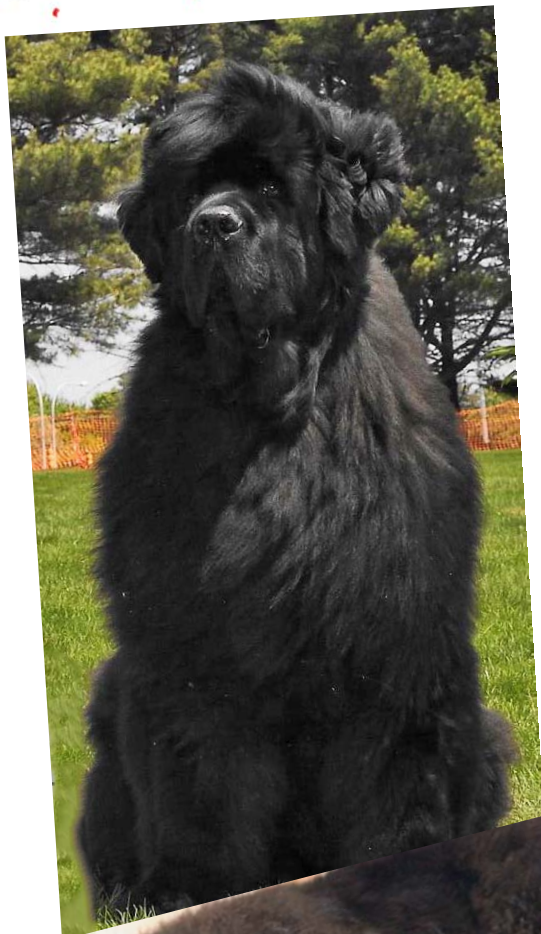

I turned in all the required papers for the new therapy dog program through AKC and received a very nice certificate, patch and silver medallion for Therapy Dog Excellent. Henry is now officially known as VN CH Golden Oaks Moon Chaser CGC, CD, RE THDX, WRD(3), DD(3).

He also received a very nice certificate for the AKC Achiever Dog since he has earned more than three AKC titles.

Even though the recognition from AKC with the certificates and bling was nice, the biggest reward for Henry and I are all the amazing experiences we shared while bringing some cheer to other people who needed to be cheered up.

It's hard to believe this exuberant pup is now officially a veteran at seven years old. He loves his walks, loves to play tug and loves to play chase in the yard with Precious. There is no slowing this boy down and I hope it stays that way for quite a while.

I'm a believer that age is just in the mind so we will keep doing what we enjoy doing as long as we can do it. Happy birthday big guy. We love you so much.

From the moment this pup entered our home, life has not been the same. He has brought chaos, joy and lots of love into our home. Can't believe he is four years old already. He still can be that crazy pup but has also become a very thoughtful companion. His breeder was spot on when she said this pup is special and I really needed to have him. Can't imagine our life without him. Happy birthday sweet pup.

We love you so much.

Here's a little more specific information:

Sweepstakes & Veteran Sweepstakes on Saturday - The "official" Sweepstakes & Veteran Sweepstakes for the Regional Specialty Show will take place in "our ring" on Saturday, the day before the conformation judging. For those of you who are unfamiliar with our Sweepstakes Judge, Mrs. Kathy Lorentzen, I would like to tell you a little bit about her. I noticed her name published in last October's *Gazette* as having completed the requirements for judging all the breeds in the Sporting Group and that she lived in Chelsea, Michigan. On the chance she might be interested in adding some working breeds in the future, I emailed her to find out if she might be interested in judging our Newfoundland Sweepstakes. Imagine my surprise when I received this immediate reply: "I would be delighted! I actually know about your breed because Ron Pemberton and I were very close friends for many years. I would love the opportunity to put my knowledge into practice!"

Sweepstakes & Veteran Sweepstakes on Sunday (REGIONAL SPECIALTY DAY) - Newfoundland exhibitors can participate in a second Sweepstakes & Veteran Sweepstakes Event on Sunday as part of the All-Breed Sweepstakes offered by the Kalamazoo Kennel Club. AKC permits a breed to participate in only one Sweepstakes a day; so Kalamazoo Kennel Club's All-Breed Sweepstakes/Veteran Sweepstakes precludes our having one of our own that day. There has been some misunderstanding about our participation in this event in past years, which we have worked to remedy this year. The Sweepstakes/Veteran Sweepstakes judging for our breed (as part of the the All-Breed Sweepstakes) will take place in "our ring" prior to the conformation judging for the Regional Specialty and will seem no different than the Sweepstakes competition the previous day. The Sweepstakes and Veteran Sweepstakes winners, which can advance to the Group judging, will be able to participate this year because the Working Group will be scheduled later in the day. The judge, Ms. Shalisa Neely, is from California and is currently licensed to judge the Non-Sporting Group, Toy Group, and 6 Working Breeds (Bullmastiffs, Dobermans, Great Danes, Rottweillers, Samoyeds, and Siberian Huskies). She hopes to add Newfoundlands in the future.

Newfoundland Group Camping Area- If you plan to camp for the weekend and would like to be parked next to your friends and fellow exhibitors in a designated Newf Camping Area, send your Camping Reservation Form to me (NOT to Julian Voss, the Camping Chair) by May 1st, along with a check payable to "WMABC". I need to submit all the reservations together, as a group, to him prior to the closing date of the show. Remember to send your camping reservation form to me before you go to the National so you don't forget!

Specialty Picnic Luncheon- After the Specialty judging on Sunday, relax in the Hospitality Tent and enjoy a catered box lunch picnic from the Garden Griddle of Paw Paw --- gourmet sandwich, chips, fruit cup, homemade cookies, and bottled water for \$10. Send your lunch order, with check payable to GLNC, to me by the closing date of entries, May 9th.
